2025

A YEAR OF BUILDING A STRONGER COMMUNITY

In 2025, Sporti-ified entered a new phase of impact by deepening its focus on sports as a tool for leadership development. Building on the foundation of teamwork from prior years, this year emphasized confidence, responsibility, and character both on and off the field.

A special highlight of the year was the active involvement of parents, who stepped in to lead and deliver activities creating an even more engaging and supportive experience for the kids. The program also featured more races and team-bonding games, which the children thoroughly enjoyed and which strengthened cooperation, trust, and peer connections. Together, these efforts helped create an environment where young people could grow as teammates, leaders, and confident individuals, reinforcing Sporti-ified's commitment to building strong communities through sport.

Vision

To create a vibrant community where our children are empowered to become leaders and inspire positive change in their community.

Through the support of Dosu Realty, Sporti-ified presented three (3) children with monetary awards in recognition of their sports excellence and leadership demonstrated on the field. These awards honored not only athletic performance but also discipline, teamwork, and the ability to lead by example.

This recognition reflects our continued commitment to empowering young people to grow into confident leaders who inspire positive change within their teams and communities.

Our All Star Partner

We extend our heartfelt gratitude to our Community All Star Sponsor, Boston Athletic Association for their unwavering support and commitment to our mission.

We have been able to achieve remarkable milestones this year, empowering those we serve and enhancing the lives of many.
